About Sparks Fostering

We offer a high degree of care, attention to detail, and expertise across all the locations we serve. Blackburn is a dynamic and diverse town, and one which we are proud to be able to operate in. We serve foster parents and children of all backgrounds, cultures, and ethnicities, and our experiences of operating in Blackburn have helped us to grow and develop as a fostering provider, and to understand the needs of diverse people in great depth, allowing us to be confident in providing a high-quality service to all of the residents of Blackburn.

Our Work

We understand that becoming a foster parent can be a challenging transition, and it is important to us that our Blackburn based carers and children feel looked after. As such, we endeavour to provide clear and regular guidance, training and advice. For instance, as a foster parent we will meet with you to discuss your general care plan, the health and education of the child, or any other issues that crop up during your time as a foster parent.

We look after children who are in the care of Blackburn local authority, and we work closely with social workers to ensure that we offer the best possible care to the children.
