About Sparks Fostering

We offer a high degree of care, attention to detail, and expertise across all the locations we serve. Leeds is a fast-growing, dynamic and diverse city, and one which we are proud to be able to operate in. We serve foster parents and children of all backgrounds, cultures, and ethnicities, and our experiences of operating in Leeds have helped us to grow and develop as a fostering provider, and to understand the needs of diverse people in great depth, allowing us to be confident in providing a high-quality service to all of the residents of Leeds.

We provide care for children

Leeds’s children in need

We are glad to be a hub of information and resources about fostering, and as such would like to encourage all of the residents of Leeds to make use of the resources on our website to help them to consider whether they would like to join us in our mission to provide life changing foster care to all of Leeds’s children in need.

Our Work

We understand that becoming a foster parent can be a challenging transition, and it is important to us that our Leeds based carers and children feel looked after. As such, we endeavour to provide clear and regular guidance, training and advice. For instance, as a foster parent we will meet with you to discuss your general care plan, the health and education of the child, or any other issues that crop up during your time as a foster parent.

We look after children who are in the care of Leeds local authority, and we work closely with social workers to ensure that we offer the best possible care to the children.
