Become a Sparks Fostering Ambassador

We believe that everyone can play a part in changing a child's life — and that includes helping us find the right foster carers.

Whether you're a student, professional, parent, or just passionate about making a difference, you can become a **Sparks Fostering Ambassador**.

What Ambassadors Do

Ambassadors help spread the word about fostering by:

- Sharing information within their communities
- Connecting us with potential foster carers
- Creating short videos with local businesses or services

You won't be asked to work directly with children or vulnerable adults. A simple agreement confirms your role and responsibilities.

We'll Support You

All ambassadors receive:

- Weekly online **Ambassador Workshops** (Thursdays, 12pm)
- A free place on our 6-session **certified training course**
- A **Sparks T-shirt**, flyers and posters
- A personalised **employment reference** upon request

How to Apply

To apply, just email: info@sparksfostering.org

Let us know a little about yourself, and we'll get you started.
