

Muslim Mentors for Children in Care

Muslim Mentors for Children in Care is a mentoring program proudly sponsored by Muslim Children in Care (MCIC), a charity dedicated to improving the lives and outcomes of Muslim children and young people in care.

This is a group mentoring program. Our program exists to inspire, empower and support young people by connecting them with positive Muslim role models who can provide guidance, encouragement and practical advice as they navigate education, employment and adulthood.

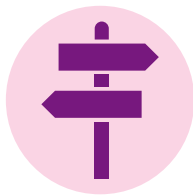

Why Mentoring Makes A Difference

Build Confidence

Help children believe in themselves and their potential

Inspire Future

Encouraging ambition and exploring new opportunities

Provide Support

Offering consistent guidance and emotional support

Create Belonging

Helping children feel heard, seen and valued

Our Mentoring Program

We carefully match mentors and children based on expressed interest:

- Overview of their role/responsibilities
- Goal setting and encouragement
- Positive role modeling
- Help with confidence and aspirations

For Children in Care

Mentors are here to listen, support and encourage young people every step of the way:

- Build Confidence
- Explore your interests
- Set and achieve goals
- Feel supported and understood

Sessions are delivered online and typically lasts 2 hours
